

The background of the slide features a large, light gray watermark of the McGill University crest. The crest is a shield with a crown at the top, an open book in the center with the Latin motto "IN DOMINO CONFI DO", and three birds (two on the sides and one at the bottom) facing each other.

Motivation

Why?

- ▶ Other themes are really red.
- ▶ Red is really distracting.
- ▶ Also, I don't like red.

Thank you!
